the  
**Creative  
Conjuring**  
MAGIC SHOW

Science stunts, wacky inventions, and magical mayhem add up to *total fun*.

Black belt magician and “Creative Conjurer” Jeff Evans visits the library to celebrate the Summer Reading Program.

It's a wheelbarrow of excitement and the unexpected. Most importantly, the **benefits of reading** are woven throughout the show.

When kids realize that the outrageous stunts and demonstrations they see come from books, they'll be excited to try out the "magic numbers" of the Dewey Decimal system at your library.
